

## The ideal 'Lego' system

Making calls, sending emails, meeting, consulting and concentrating – all these activities are facilitated by a single range. The Ahrend Loungescape range enables an infinite number of different configurations and is perfectly suited to flexible working.

Ahrend  
Loungescape

Designer: Basten Leijh

Modular lounge  
range that provides  
flexibility in both  
large and small  
spaces

### Playful and stylish design

- › The ideal 'Lego' system for architect and designer
- › Playful design, luxurious and stylish concepts by designer Basten Leijh
- › Each element can be upholstered in a wide range of colours and designs

### Optimum flexibility

- › Modular lounge range that provides flexibility in both large and small spaces
- › All elements are separate, enabling an infinite number of configurations
- › Facilitates rapid switching between communication and concentration

### Security and privacy

- › Perfectly suited for creating a space within a space
- › Acoustic function contributes to the perception of privacy
- › Can also be used as an acoustic partition

Playful and atmospheric setting which contributes to good acoustics and perception of privacy

*"Ahrend Loungescape has an inspiring effect: a functional and aesthetically pleasing furniture system that evolves with the user."*

Designer Basten Leijh
